GLAMOUR è il fascino seducente che trasforma le apparenze e calamita l'attenzione.

Il GLAM non è bellezza pura...

È una sensazione, uno stato d'animo, un atteggiamento un'aura che porta con sè mistero e magia.

GLAMOUR is the seductive allure that transforms appearances and galvanises attention.

GLAM is not beauty alone...

it is a sensation, a state of mind, an attitude, an aura, enveloped in mystery and magic.

GLAMOUR est le charme infini qui transforme les apparences et monopolise l'attention.

Le GLAM n'est pas une question de beauté pure...

c'est une sensation, un état d'âme, une attitude, une aura emplie de mystère et de magie.

GLAMOUR verbreitet bezaubernden Charme, besticht durch effektvolle Anspielungen und zieht die Aufmerksamkeit auf sich.

GLAM ist nicht Schönheit pur...

sondern Attitüde, Flair, Ausstrahlung und Faszination.

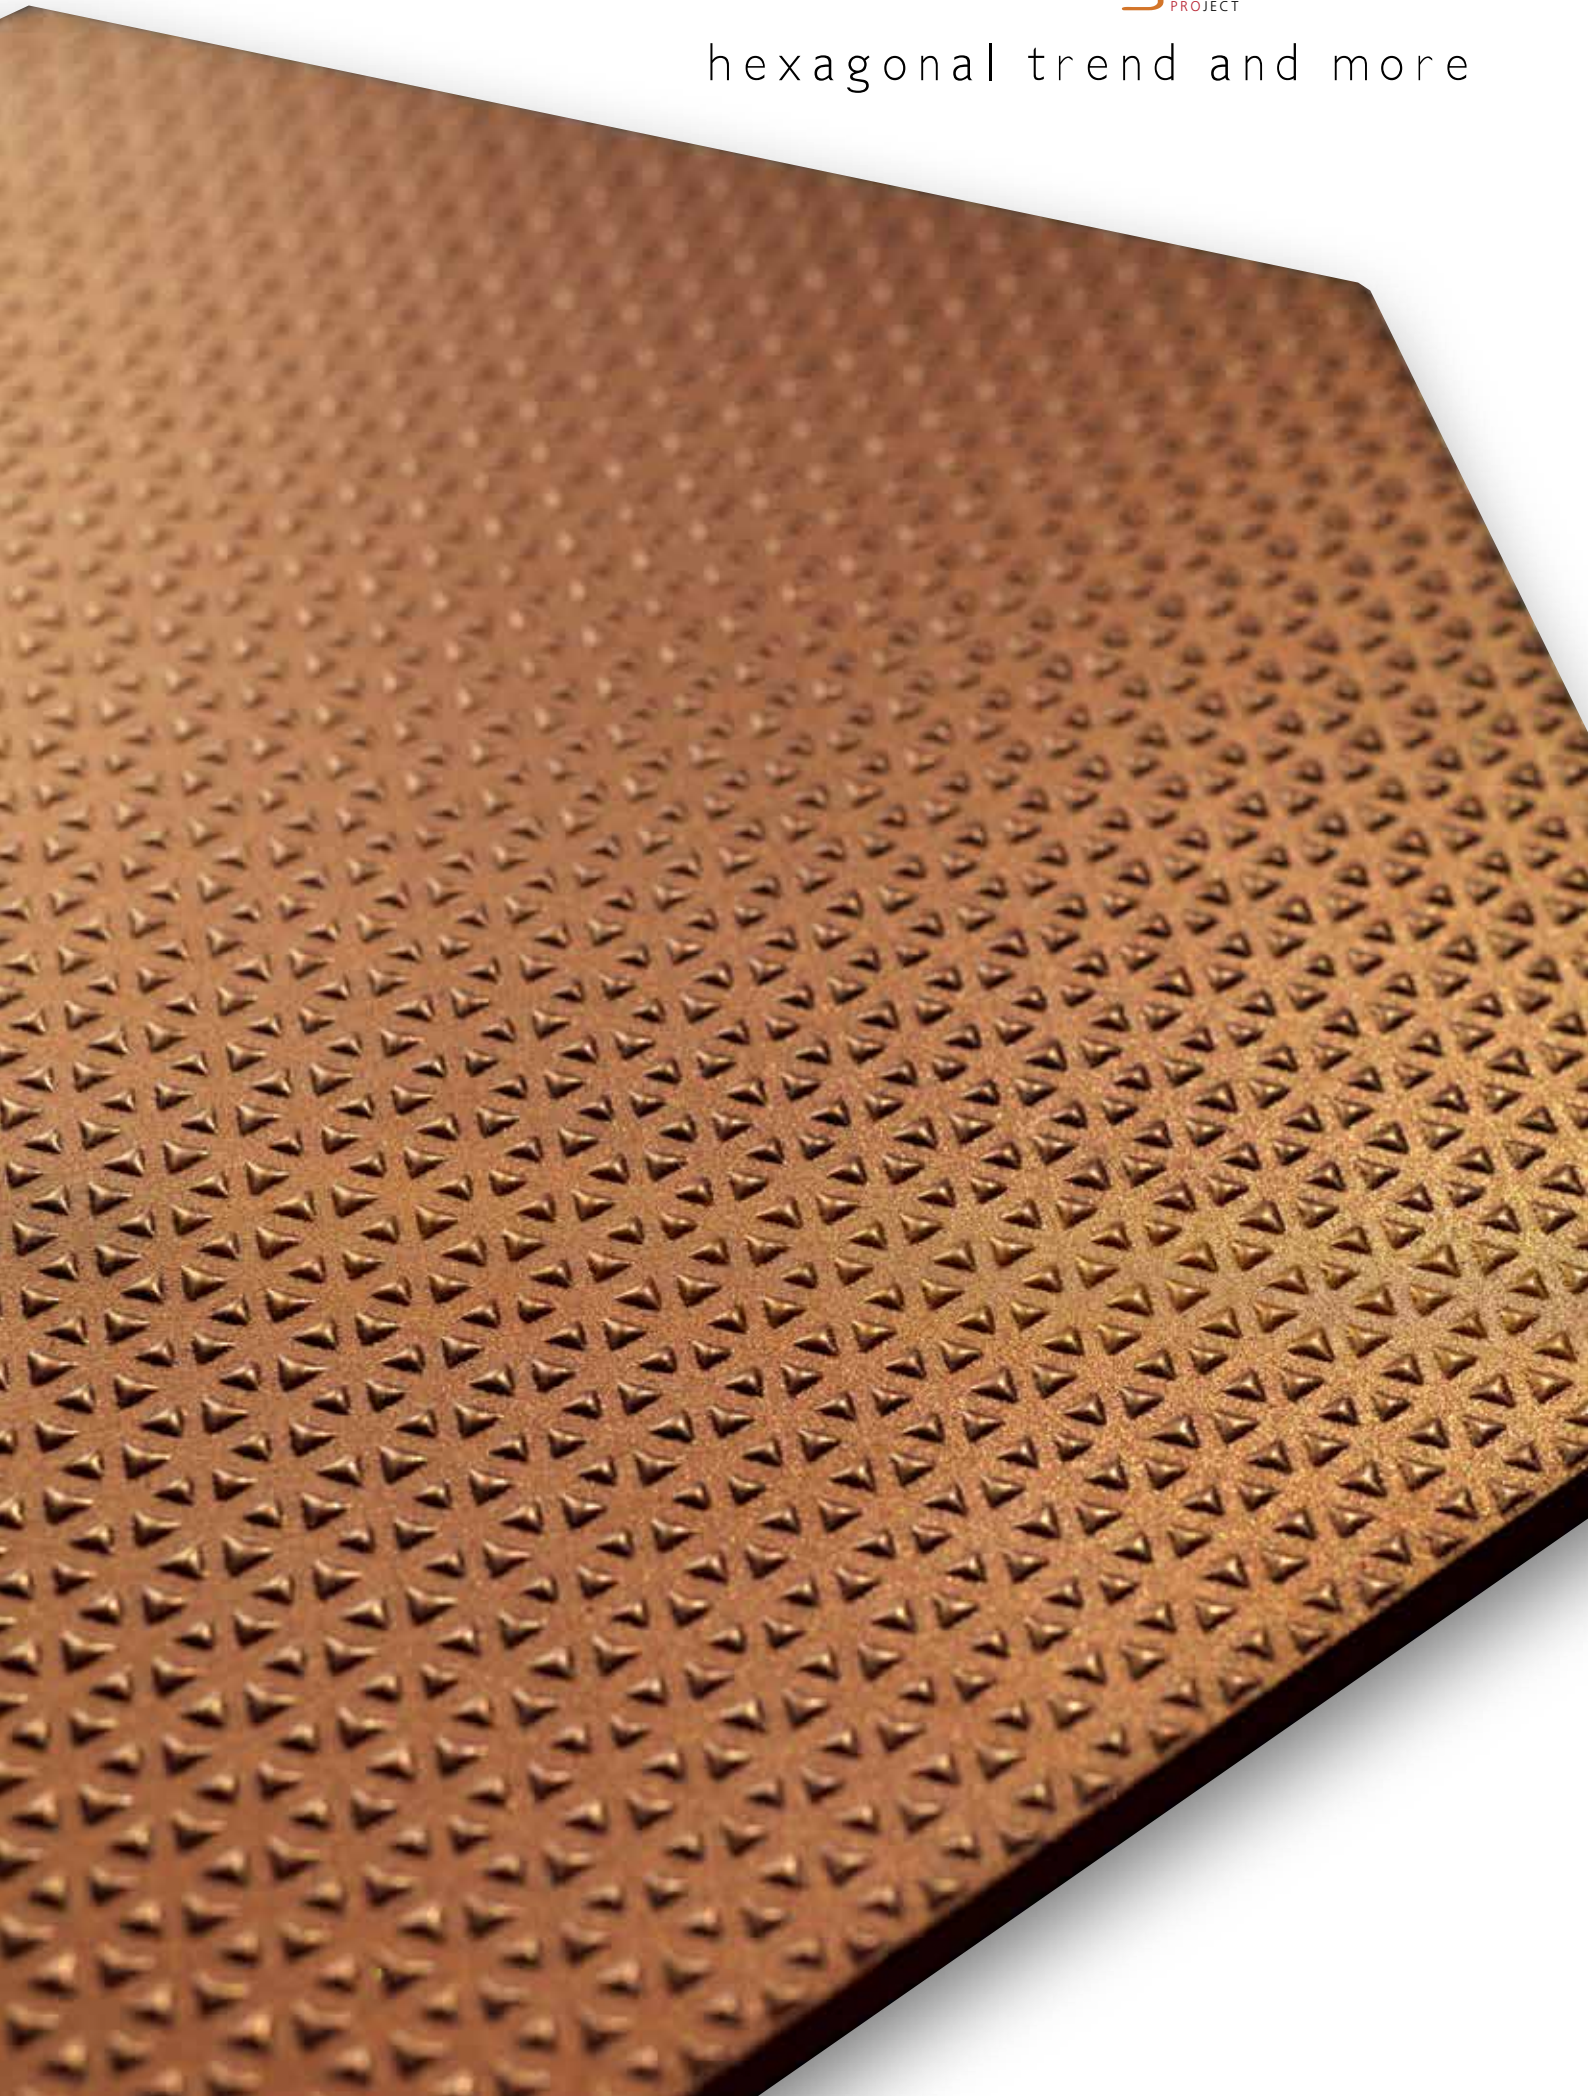

GLAMOUR - это соблазнительное очарование, преобразующее внешность интерьера и привлекающее к себе внимание.

ГЛАМ - это не красота в чистом виде...

это скорее ощущение, настроение, предрасположение, отражение, скрывающее в себе тайну и волшебство.
